ELECTION OF PPN REPRESENTATIVES TO
IEC – Independent Evaluation Committee: 1 Seat, 3 Candidates

ELECTED CANDIDATE

	Sharon Boles	**Nominated by Ballygawley Community Park who state:** "Sharon has been involved in the Community and Voluntary Sector for the last 30 years. She is currently the manager of Sligo County Childcare Committee and mandated with the rollout of numerous programmes and trainings in the childcare settings across Sligo. Sharon has previous experience working with Leader Programmes and was previously a member of the LCDC".

Substitutes for the Position

	Joe Corcoran	**Substitute 1** **Nominated by Connacht Motor Club who state:** "Joe was recently awarded Volunteer of the year and this was a recognition of his commitment to our club and sport but also to the wider community due to the many Organisations he is involved with in making Sligo a better place to live. We nominate Joe for this important position as he has gained a vast wealth of experience resulting from the large number of events he has helped organise".
	Karen Clancy	**Substitute 2** **Nominated by Branching Out who state:** "Karen Clancy, a native of Clonmel, has lived in Sligo for over 30 years and raised her family here. She was active for a number of years with community organisations in Sligo such as the Community Games, Northside Resource Centre, St. Michael's Family Life Centre and St. Joseph's Parish Council and an active member of the Shelly Writers Group. She works full-time in finance and we believe she is well qualified to be a member of the Independent Evaluation Committee and help to assess and evaluate applications under the LEADER Rural Development Programme. She is not a member of any political party. She is committed to the development and betterment of our community at a grassroots level. Karen is a strong believer in supporting good corporate governance and open and full transparency in the use of public monies. We believe that Karen is an independent person of integrity and an excellent candidate for this position".
