## Funding Information for Sligo PPN Members

---

### Opportunity 1

#### Community Response Fund through ChangeX

In recent times, there have been huge changes in the make up and diversity of the Irish community and while this can bring huge benefits and positive experiences, it can also make integration and community cohesion more challenging to achieve.

In response to this, 'The Community Response Fund' supported by Deloitte and administered through ChangeX, has been set up to support the welcoming and integration of new communities into Ireland.

Street Feasts provide an ideal opportunity to bring people together over the universal language of food and, as such, Sligo PPN are excited to let you know about a range of supports to Street Feasts that celebrate the same goal.

Under this funding stream you can avail of:

- Funding of €500-€1000 to support your Street Feast
- A printed starter pack that includes bunting, invites and posters
- A digital signposting toolkit
- Support from the Street Feast team, as required

Upon confirmation of funding, groups will receive 70% up front and 30% after completion of their event.

Interested groups should apply for the funding at

<https://www.changex.org/ie/funds/community-response-fund>

and select 'Apply with Existing Project'.

Here you can fill in the details about your Feast.
