

A Dream for a Sustainable Sligo

Sligo Public Participation Network warmly invite you to the launch of a promotional video written by Stephen Murphy offering a vision for a sustainable Sligo.

This vision was drawn from a number of workshops involving members of community groups in Sligo.

We will follow this with a networking workshop as we develop what this dream inspires for us.

7pm on February 20th, 2024 at The Model, The Mall, Sligo.F91 TP20
