Input from group: closer alignment to LECP / Sligo 2030, stress move towards collaboration not competition, highlight work PPN is doing to help SCC achieve key targets, include infographic on number of members and value. Stress PPN is more than just a database. Garavogue Response Discussion on the approach from a collective of Residents and other concerned groups regarding the proposed Garavogue Bridge. Discussions around impact on local wildlife and general liveability within the area if progressed. Concerns regarding lack of planning or thought to subsequent traffic management and impact and the current SCC approach which seems to be to build the bridge first and then deal with traffic issues as they emerge. In order to pursue, important that PPN get a better sense of the concerns of member groups. Action 1 – draft email to be developed to go out from individual college reps to relevant college members. Mail to ask if their group has any concerns on development and what they are. Responses to this will give the Secretariat clearer ideas as to direction to take and best use of SPC process. Action 2 – issue to be sent as case study to inform SPC training delivered on 7th February. 2025 Plenary event with SGK Overview of event; 4pm open 4.30 plenary formalities – presentation by Joan 5.15 Networking and food Groups of reps to circulate and talk to people about ideas for future projects, issues, concerns etc Play area for kids Food by Global Kitchen Elections and SPC training Soon to be 4 places open on Secretariat. Agreement to wait until after plenary event to formally open. To promote the opportunities at the plenary. AUS Autism Friendly Sligo AGM 25th February at Riverside Sarah briefed on new insurance pilot with LAs covering Tidy Towns insurance and the view to this coming to Sligo in April.
